We offer a way of customizing our aids **smilla.**, **madita.**, **madita-fun.** and **madita-fun mini.** You can provide the respective back pad with the name of the user.

Simply assign the name embroidery to the product and tell us the desired name. Then send this form together with the order form of the particular product and you will receive the ordered product with the desired name on the back pad.

- The height of the embroidery is 2.5 cm (2 cm for **madita-fun mini.**) – width is the length of the name
- The embroidery is placed on the right side of the back pad (in the middle on **madita-fun mini.**)
- For the embroidery we use a silver-white yarn
- You can see the font that is used for the embroidery in the accompanying picture

Note: an embroidery of our Flexi fabric is not possible
